

RESIDENTIAL TELEPHONE SERVICE AGREEMENT

IMPORTANT NOTICE ABOUT YOUR THAMES VALLEY COMMUNICATIONS VOICE OVER IP (VoIP) TELEPHONE SERVICE:

THAMES VALLEY COMMUNICATIONS (TVC) TELEPHONE SERVICE WILL BE PROVIDED TO YOU OVER THE BROADBAND INTERNET SERVICE TO YOUR HOME. TVC WILL PROVIDE A TELEPHONE ADAPTER THAT WILL CONNECT YOUR TELEPHONE (S) TO YOUR CABLE MODEM IN ORDER TO PROVIDE YOU WITH HIGH QUALITY TELEPHONE SERVICE AT YOUR HOME (THE "SERVICE"). THE TELEPHONE ADAPTER THAT IS PROVIDED TO YOU IS DESIGNATED EXCLUSIVELY FOR USE IN YOUR HOME. USE FROM ANY OTHER LOCATION IS STRICTLY PROHIBITED AND MAY INTERFERE WITH RECEIPT OF EMERGENCY SERVICES.

ACCORDINGLY, TVC WILL NOT BE HELD LIABLE, IN ANY WAY, IN THE EVENT THAT YOU ATTEMPT TO USE YOUR TELEPHONE ADAPTER TO SUMMON EMERGENCY SERVICES FROM ANY LOCATION OTHER THAN YOUR HOME. TVC WILL NOT BE HELD LIABLE FOR ANY DAMAGES, INJURIES OR LOSS OF LIFE RESULTING FROM, OR EXACERBATED BY AN INABILITY TO REACH EMERGENCY SERVICES PERSONEL, OR BY EMERGENCY SERVICES PERSONEL BEING DELAYED OR UNABLE TO LOCATE YOU IN THE EVENT THAT YOU DIAL 911 VIA A TELEPHONE ADAPTER THAT IS BEING USED FROM ANY LOCATION OTHER THAN THE HOME TO WHICH YOUR SERVICE IS REGISTERED.

EMERGENCY SERVICES - 911 DIALING

TVC 911 Service is different from traditional 911 service.

TVC will route all 911 calls to the Public Safety Answering Point (PSAP), which serves your location, but the Service is different in a number of important ways from traditional 911 or E911 Service as described below. You agree to inform any household residents, guests and other third persons who may be present at the physical location where you utilize the Service of (i) the non-availability of traditional 911 or E911, and (ii) the important differences in, and limitations of the TVC 911 dialing Service as compared to traditional 911 or E911 dialing. The documentation that accompanies your telephone adapter includes stickers concerning the potential non-availability of traditional 911 or E911 dialing (the "911 Sticker"). It is your responsibility, in accordance with the instructions to place the 911 Sticker on each telephone that you use with the Service. If you did not receive a 911 Sticker with your documentation, or you require additional 911 Stickers, please contact our customer care department at 860-446-4009.

How Emergency Personnel are Contacted and Physical Location. All 911 calls will be transferred to a PSAP, which serves your location. Enhanced 911 (E911) automatically allow the emergency operator to know the telephone number and address of the dialing party. The Service is designed to provide both your telephone number and address to the emergency operator, but the address the emergency operator will see is the registered service address you designated to TVC when you subscribed for the Service. Therefore, use of the telephone adapter from any location other than your registered service address (your home) may provide the emergency operator with incorrect information regarding the location from which you are calling. Use from any address other than your registered service address is strictly prohibited. The location information that is provided by the Service to an emergency operator is always the service address that you provided to TVC when the Service was ordered.

Service Outages.

(a) Service Outages Due to Power Failure or Disruption. 911 Dialing does not function in the event of a power failure or disruption. If there is an interruption in the power supply, the Service, including 911 Dialing, will not function until power is restored. Following a power failure or disruption, you may need to reset or reconfigure your telephone adapter prior to utilizing the Service, including 911 Dialing. (b) Service Outages Due to Internet Outage. Service outages by Internet and network providers to TVC could prevent all Service, including 911

Dialing, from functioning. (c) Service Outage Due to Suspension or Termination of Your TVC Account. Service outages due to suspension or termination of your account will prevent all Service, including 911 Dialing, from functioning. (d) Other Service Outages. If there is a Service outage for any reason, such outage will prevent all Service, including 911 Dialing, from functioning. Such outages may occur for a variety of reasons, including, but not limited to, those reasons described elsewhere in this Agreement. (e) Network Congestion; Reduced Speed for Routing or Answering 911 Dialing Calls. There may be a greater possibility of network congestion and/or reduced speed in the routing of a 911 Dialing call made utilizing the Service as compared to traditional 911 dialing over traditional public telephone networks.

Possible Lack of Automatic Number Identification. It may not be possible for the local emergency personnel to automatically obtain your phone number when you dial 911. The system is configured to send the automatic number identification information; however, one or more telephone companies route the traffic to the emergency response center and that center may not be capable of receiving and passing on that information. As a result, the operator who answers your 911 call may not be able to automatically obtain your phone number and call you back if the call is not completed or is not forwarded, is dropped or disconnected, if you are unable to speak to tell the operator your phone number, or if the Service is not operational for any reason.

Possible Lack of Automatic Location Identification. It may not be possible for the local emergency personnel to automatically obtain your registered service address when you dial 911. The system is configured to send the location information; however, one or more telephone companies route the traffic to the emergency response center and that center may not be capable of receiving and passing on that information. As a result, the operator who answers your 911 call may not be able to automatically obtain your address and direct emergency personnel if the call is dropped or disconnected or if you are unable to speak to tell the operator your address or if the Service is not operational for any reason.

DISCLAIMER OF LIABILITY AND INDEMNIFICATION. WE DO NOT HAVE ANY CONTROL OVER WHETHER, OR THE MANNER IN WHICH, 911 CALLS USING THE SERVICE ARE ANSWERED OR ADDRESSED BY ANY LOCAL EMERGENCY RESPONSE CENTER. WE DISCLAIM ALL RESPONSIBILITY FOR THE CONDUCT OF EMERGENCY RESPONSE CENTERS. WE RELY ON THIRD PARTIES TO ASSIST US IN ROUTING 911 CALLS TO LOCAL EMERGENCY RESPONSE CENTERS. WE DISCLAIM ANY AND ALL LIABILITY OR RESPONSIBILITY IN THE EVENT SUCH THIRD PARTY DATA USED TO ROUTE CALLS IS INCORRECT OR YIELDS AN ERRONEOUS RESULT. NEITHER TVC NOR ITS OFFICERS OR EMPLOYEES MAY BE HELD LIABLE FOR ANY CLAIM, DAMAGE, OR LOSS, AND YOU HEREBY WAIVE ANY AND ALL SUCH CLAIMS OR CAUSES OF ACTION, ARISING FROM OR RELATING TO OUR SERVICE UNLESS SUCH CLAIMS OR CAUSES OF ACTION AROSE FROM OUR GROSS NEGLIGENCE, RECKLESSNESS OR WILLFUL MISCONDUCT. YOU SHALL DEFEND, INDEMNIFY, AND HOLD HARMLESS TVC, ITS OFFICERS, DIRECTORS, EMPLOYEES, AFFILIATES AND AGENTS AND ANY OTHER SERVICE PROVIDER WHO FURNISHES SERVICES TO YOU IN CONNECTION THE SERVICE, FROM ANY AND ALL CLAIMS, LOSSES, DAMAGES, FINES, PENALTIES, COSTS AND EXPENSES (INCLUDING, WITHOUT LIMITATION, ATTORNEYS FEES) BY, OR ON BEHALF OF, YOU OR ANY THIRD PARTY RELATING TO THE ABSENCE, FAILURE OR OUTAGE OF THE SERVICE, INCLUDING 911 DIALING, INCORRECTLY ROUTED 911 CALLS, AND/OR THE INABILITY OF ANY USER OF THE SERVICE TO BE ABLE TO USE 911 DIALING OR ACCESS EMERGENCY SERVICE PERSONNEL.

Alternate 911 Arrangements. If you are not comfortable with the limitations of 911 dialing with the Service, you should consider having an alternate means to summon emergency services or terminating the Service.

Home Security Systems: If you have a centrally monitored home security system, TVC will make reasonable efforts to wire the System to allow the operation of your existing home security system; however, TVC cannot guarantee that any such system will be in complete operational order following the installation without a complete test to your central station. Therefore, it is strongly suggested and your obligation to contact your home security system provider to inform them of a change in providers and to request a complete operational test of such system immediately following installation of the Service. In addition, it is your responsibility to test your security system on a regular basis. In the event of power outage or network outage (whether unplanned or maintenance related) cable related Service, including any home security system

which uses the Service to connect to central station monitoring, will not function. As set forth in Section 11, you may install an uninterruptible power system.

A power failure or disruption may require the subscriber to unplug the cable modem and telephone adapter then to plug the cable modem and telephone adapter back in to restore service. Installing an uninterruptible power system can reduce the likelihood of a loss of power. Uninterruptible power systems can be purchased at most stores where computers are sold; they can provide power to your

- f. If you decide to use the service through an interface device other than the telephone adapter provided by TVC, which TVC reserves the right to prohibit in particular cases or generally, you warrant and represent that you possess all required rights, including software and/or firmware licenses, to use that interface device with the service and you will indemnify and hold harmless TVC against any and all liability arising out of your use of such interface device with the service.

13. Service Distinctions - You acknowledge and understand that the TVC Telephone Service is subject to different regulatory treatment than telephone service provided by Local Exchange Carriers. This fact may limit or otherwise affect your rights of redress before Federal or State telecommunications regulatory agencies.

14. Ownership and Risk of Loss – TVC owns the telephone adapter and leases it to you; however you are fully responsible for the telephone adapter and bear all risk of loss, theft or damage from the time it is provided to you until the time (if any) when it is returned by you to TVC.

Tax exemption will only apply from and after the date TVC receives such certificate.

TVC's actions or inaction under this Section shall not constitute review or approval of your or Users' use or Content. You will indemnify and hold TVC against any and all liability arising from the content transmitted by or to you or to Users using the services. A "User" means any person, whether authorized or unauthorized, using the service and/or telephone adapter provided to you.

The failure of TVC to exercise or enforce any right or provision of the Agreement shall not constitute a waiver of such right or provision. If any provision of the Agreement is found by a court of competent jurisdiction to be invalid, the parties nevertheless agree that the court should endeavor to give effect to the parties' intentions as reflected in the provision, and the other provisions of the Agreement remain in full force and effect. You agree that regardless of any statute or law to the contrary, any claim or cause of action arising out of or related to use of the service or the Agreement must be filed within one (1) year after such claim or cause of action arose or be forever barred.
